

One Spirit One Hope One Lord One Faith One Baptism One God One Goal One Purpose

From: The Pastor
To: The UMOJA Christian Church Family

Things come to pass as they do because the time is ripe. Events come into being because the world is ready for them. Nothing comes to be until its time. Nothing ever happens until the hour has struck. Life in this universe runs on a divine schedule. In the belfry of heaven the clock always strikes on time; it is never early, and it is never late. The ships of destiny arrive at their ports of call at the moment they should arrive. If we could untangle the mysteries of life and unravel the energies which run through the world; if we could measure our struggles, dilemmas, and aspirations, we would find that nothing is born out of time. Everything comes at its appointed moment.

We have come to an appointed time. The time at which we have arrived is that time when we press closer to the vision that God has given us to perform. I am excited about all that God has performed on our behalf, the UMOJA Christian Church family. I firmly believe that God has much more in store for us as we continue to trust in His divine guidance for our future. Words cannot express how excited I am for us as one of the most recently organized congregations in the city of Indianapolis. Our presence has made an impact on many lives in the city, as well as in several places around the world. Such impact in ministry could not have happened without you, the members of UMOJA. So, let me pause to personally thank each of you for being instrumental in making UMOJA a place where lives are changed for the better and freedom is realized.

Secondly, let me thank each of you for being partners in our future as a church. I must admit that we have miles to go before we reach our destiny. But, God will provide and has already begun to provide for our future through persons like you. Thanks!

Thanks for trusting me as your pastor as well as our Core Leadership Team. This team has done a great job in leading us as a congregation, as well as our Financial Team who have made sure that our finances are up to high standards and operate with high integrity. Thanks for your prayers and for your unending support. Most of all amidst the many thanks let me say thanks for your financial commitment and partnership as we seek to build a temple for our God. I am excited for us and I hope that you are excited about our future together as a people of God. Thanks!

Peace!
